Jim Nathan to Speak on Health Care Crisis – “a perfect storm”

Jim Nathan, president, Lee Memorial Health System, will visit Sanibel on Thursday, April 10, at 7:00 p.m. to present his views on the health care crisis facing Southwest Florida and beyond. This community-wide event, sponsored by the Zonta Club of Sanibel-Captiva, will be at the Sanibel Community Association, 2173 Periwinkle Way.

For the past 30 years, Jim Nathan, a nationally-renowned health care expert and visionary, has led the Lee Memorial Health System (LMHS) through a major transition from a single hospital into a comprehensive health system. As a result, Lee Memorial now plays a leadership role in our community's health care system.

The health care crisis in this country, a top concern of Americans, is hitting Southwest Florida earlier and harder than other parts of the country. Jim Nathan has a powerful and informative presentation to share with the Sanibel community. He will discuss the status of health care in Southwest Florida, why this “perfect storm” is hitting us, and what it means for our community. You won't want to miss this timely and provocative presentation by an outstanding community leader.

The event is free and open to the public. (*\$5 suggested donation to cover the cost of the facility.*)
