On many Friday evenings throughout the year, members of the Zonta Club of Sanibel-Captiva gather to socialize and enjoy the fellowship that is the trademark of the busy and successful women’s service organization. Most frequently, the Happy Hour gatherings take place at Traders Restaurant on Sanibel, and the group recently showed its gratitude for the friendly and efficient service it enjoys—with an iced cake to be shared among the staff. Board member Nancy Dreher is pictured here with Traders staff, with special thanks to Chef Mike Patnode for his creative cuisine. Traders is now closed for a well-deserved break through October 4.
